

Kim Brown

Relationship Manager

"Always treat others the way you want to be treated."

Kim serves as a Relationship Manager, working directly with Persium's wealth management clients.

Kim joined Persium Group in 2016 and has held a variety of positions within our team. Prior to joining Persium, Kim worked at several notable Atlanta-based companies as an accountant and recruiter for accounting and finance professionals. After a rewarding stint as a stay-at-home parent, Kim continued working in recruiting and administration.

Kim graduated from the University of Central Florida with a Bachelor of Business Administration in Accounting. She moved to Atlanta after graduation and now lives in Marietta, Georgia, where she raised her three children. Outside of work, Kim is an avid reader and fitness enthusiast. Kim enjoys volunteering at her children's schools and has served in the schools in numerous capacities, including as Vice President on the school foundation board of directors and as booster club Treasurer. Kim and her family also enjoy being outside together while hiking, biking and, most of all, skiing.
